

Dirty Boss

Terry James Clark

Who treats you bad and takes up all your day
the boss the boss the boss the dirty boss
Who insults you takes away your pay
the boss the boss the boss the wicked boss
Who grinds you down and tells you youre no good
the boss the boss the boss the dirty boss
Who treats you like your heads made out of wood
the boss the boss the boss the wicked boss
Always contemplating him Always end up hating him
Tired of eating shit from him Why do i want to kill him the boss
The boss the boss the boss the dirty boss
The boss the boss the boss the wicked boss
The boss the boss the boss the dirty boss
The boss the boss the boss the wicked boss
Who annoys you treats you like a toy
the boss the boss the boss the dirty boss
All the work you do without joy
the boss the boss the boss the wicked boss
Who denies you makes you work late
the boss the boss the boss the dirty boss
Im the boss now your life can wait
the boss the boss the boss the wicked boss
Always contemplating him Always end up hating him
Tired of eating shit from him Why do i want to kill him the boss
The boss the boss the boss the dirty boss
The boss the boss the boss the wicked boss
The boss the boss the boss the dirty boss
The boss the boss the boss the wicked boss
Who makes you hate every day of your work life
the boss the boss the boss the dirty boss
Who makes you want to cut with a big knife
the boss the boss the boss the wicked boss
Who destroys you every single day
the boss the boss the boss the dirty boss
The wicked boss he drives you insane
the boss the boss the boss the wicked boss
Always contemplating him Always end up hating him
Tired of eating shit from him Why do i want to kill him the boss
The boss the boss the boss the dirty boss

The boss the boss the boss the wicked boss
The boss the boss the boss the dirty boss
The boss the boss the boss the wicked boss
