

Love Has a Name (feat. Kim Walker-Smith)

Jesus Culture

There's a space in every beating heart
There's a longing that reaches past the stars
There's an answer to every question mark
There's a name There's a hope flowing through these veins
There's a voice that echoes through the pain
There's an ember ready for the flame
There's a name We will fix our eyes on the One who overcame
We will stand in awe of the One who breaks the chains Love has a name
Love has a name
Jesus
Love has a name
Love has a name
Jesus
There's a joy that triumphs over fear
There's a laughter that wipes away all tears
There's a presence that changes atmospheres
There's a name We will fix our eyes on the One who overcame
We will stand in awe of the One who breaks the chains Love has a name
Love has a name
Jesus
Love has a name
Love has a name
Jesus
Victory has a name
Victory has a name
Jesus, oh
Joy has a name
Joy has a name
Jesus
The name that's lifted up forever
The name that shakes the earth and shakes the heavens
The hope for every heart
The Savior of the world
Jesus, Jesus We will fix our eyes on the One who overcame
We will stand in awe of the One who breaks the chains, oh oh Love has a name
Love has a name
Jesus, oh
My victory has a name
Victory has a name

Jesus, oh
Joy has a name
Joy has a name
Jesus
My hope, my hope
My hope has a name
Hope has a name
Jesus, oh Did you start to raise the name?
The name of the our savior
Jesus
Shout his name, shout his name
Speak his name tonight
No other name again, no other name again We will fix our eyes on the One who overcame
Set our eyes on You, Jesus
We will stand in awe of the One who breaks the chains
We stand in You
We will fix our eyes on the One who overcame
Oh, we fix our eyes
We will stand in awe of the One who breaks the chains
Sing it again
We will fix our eyes on the One who overcame, ha ha
We will stand in awe of the One who breaks the chains, oh Love has a name
Love has a name
Jesus, oh
Joy has a name
Joy has a name
Jesus, oh
My victory
Has a name, oh
Has the name of Jesus
The name of Jesus, oh oh oh Nothing can stand against
Nothing can stand against
Nothing can stand against, no
Oh oh Love has a name
Love has a name
Jesus
My joy has a name
Joy has a name
Jesus
Oh, my hope has a name
Hope has a name
And this name is Jesus
And my victory is in one name
My victory is in one name
It's the Name above every other name

Jesus, Jesus
My victory is in the one name
My breakthrough is in the one name
My breakthrough is in the one name
The name of Jesus
The name of Jesus
My breakthrough is in the one name
One name alone that stays above it all
That stays above every other name
The name, the name of Jesus, ha ha
Oh oh
The time of love Your love has a name
Love has a name
Jesus
Your love has a name
Love has a name
Jesus
We love Your name
Your love has a name
Love has a name
Jesus
We love Your name, oh
Love has a name
Love has a name
Jesus
Jesus
Jesus
