

Mistake

Demi Lovato

Now that I am thinking sober
Don't you try to get no closer
I'm just gonna get in my car and drive, and drive Looking in the rear view mirror
Everything is so much clearer
Watch me wave it all goodbye, goodbye The lights flashing, giving me all the danger signs
Someone to save, to save but it don't work that way Think you made your greatest mistake
I'm not gonna call this a break
Think you really blew it this time
Think you could walk on such a thin line
Won't be taking your midnight calls
Ignore the rocks you throw at my wall
I see it written on your face
You know you made it, your greatest mistake (Your greatest mistake
Your greatest mistake
Your greatest mistake) When the last straw is broken
When the last door is closing
I ain't that dumb to stick around, stick around I ain't got the time for looking back
Gonna let yourself slip through the cracks
And you just keep going down, down, down I'mma stay undercover, lay low need some time
No one to save, to save, this sick cycle's over me Think you made your greatest mistake
I'm not gonna call this a break
Think you really blew it this time
Think you could walk on such a thin line
Won't be taking your midnight calls
Ignore the rocks you throw at my wall
I see it written on your face
You know you made it, your greatest mistake Why you lookin' at me, spittin' the same old line
Tryin' to creep back, ain't no flippin' my mind
Don't you get it by now
The story's over, over
Still callin' my name outside my house
I'm hittin' the switch, watch the lights go out
Watch the lights go out I hope you ache, ache, ache, ohh, ohh oh
I hope you ache, ache, ache, ohh, ohh oh (ohhh)
Yeah, yeah-yeah Think you made your greatest mistake
I'm not gonna to call this a break
Think you really blew it this time
Think you could walk on such a thin line
Won't be taking your midnight calls

Ignore the rocks you throw at my wall
I see it, written on your face
You know you made it, your greatest mistake
Ohhh, oh
Oh-ohh
