In My Remains

Linkin Park

Separate, sifting through the wreckage
I can't concentrate, searching for a message
In the fear and pain, broken down and waiting
For the chance to feel aliveNow in my remains
Our promises that never came
Except this silent rain
To wash away the worst of meCome apart, falling in the cracks
Of every broken heart, digging through the wreckage
Of your disregard, sinking down and waiting
For the chance, to feel aliveNow in my remains
Our promises that never came
Except this silent rain
To wash away the worst of meLike an army, falling
One by one by one
Like an army, falling
One by one by one
Like an army, falling
One by one by one
Like an army, falling
One by one by oneNow in my remains
Our promises that never came
Except this silent rain
To wash away the worst of meLike an army, falling
One by one by one
Like an army, falling
One by one by one
