

Be Alright

The Pierces

This problem is a decade old
My longing has been oversold
I've been repaid a thousand fold
But still I wait for more A gentle pull, you bring me down
A hazy gloom, my glimmer drowns
Hands will ache and hearts will pound
At my chamber door And I just wanna be right
But I can't stand to see us fight
And I don't wanna see you cry
When I know I am the reason why And I just wanna feel free
So I can just know you'll be
So I can just know you'll be
You'll be alright Forgive me, take my back to sleep
Cling to me but let me weep
A gentle spirit starts to creep
Now it's running fast And I just wanna be right
But I can't stand to see us fight
And I don't wanna see you cry
When I know I am the reason why And I just wanna feel free
So I can just know you'll be
So I can just know you'll be
You'll be alright Tangled in the hearts of men
Pondering my deadly sin
Roll me over; breathe me in
Live on me for a while And I just wanna be right
But I can't stand to see us fight
And I don't wanna see you cry
When I know I am the reason why And I just wanna feel free
So I can just know you'll be
So I can just know you'll be And I just wanna be right
But I can't stand to see us fight
And I don't wanna see you cry
When I know I am the reason why And I just wanna feel free
So I can just know you'll be
So I can just know you'll be
You'll be alright, you'll be alright
You'll be alright
