

Fight The Power (xXx 2)

Korn

Yeah

Yeah

Yeah

Yeah

Let's go! Fight the power!

Fight the power!

Fight the power!

You gotta fight the powers that be!

Let me hear you say...

Fight the power!

Fight the power!

Fight the power!

You gotta fight the powers that be!

The number another summer (Get down)

Sound of the fucking drummer

Music hitting your heart cause I know you got soul

(Brothers and sisters!)

Listen if you're missing y'all

Swinging while I'm singing

Giving whatcha getting

Knowing what I know

While the Black bands sweating

And the rhythm rhymes rolling

Got to give us what we want

Gotta give us what we need (Yeahhhhhh!)

Our freedom of speech is freedom or death

We got to fight the powers that be

Let me hear you say...

Fight the power!

Fight the power!

Fight the power!

You gotta fight the powers that be!

Let me hear you say...

Fight the power!

Fight the power!

Fight the power!

You gotta fight the powers that be! As the rhythm designed to bounce

What counts is that the rhymes designed to fill your mind

Now that you've realized the prides arrived

We got to pump the stuff to make us tough
From the heart It's a start, a work of art to revolutionize make a change nothing's strange
People, people we are the same
No we're not the same, cause we don't know the game
What we need is awareness, we can't get careless
You say: "what is this"?
My beloved lets get down to business mental self defensive fitness
Bum rush the show
You gotta go for what you know
Yeah, make everybody see
In order to fight the powers that be
Let me hear you say...Fight the power!
Fight the power!
Fight the power!
You gotta fight the powers that be!
Let me hear you say...
Fight the power!
Fight the power!
Fight the power!
You gotta fight the powers that be!Elvis was a hero to most
But he never meant shit to me you see
Straight up racist that sucker was simple and plain
Motherfuck him and John Wayne
'Cause I'm clack and I'm proud I'm ready and hyped plus I'm amped
Most of my heroes don't appear on no stamps
Sample a look back you look and find
Nothing but rednecks for 400 years if you check
Man, fuck the police!
Was a number one jam
Damn if I say it you can slap me right here
(Fuck it!) Let's get this party started right (Right on, come on)
What we got to say?
"Power to the people, no delay!"
To make everybody see
In order to fight the powers that beLet me hear you say...
Fight the power!
Fight the power!
Fight the power!
You gotta fight the powers that be
Let me hear you say...
Fight the power!
Fight the power!
Fight the power!
You gotta fight the powers that be
