

High

The Blue Nile

I don't want to wake ya
When ya sleeping so quiet
The motorcycle going by outside
Are we the same?
Caught at the lights
Why are we going home with our lies?

In the bowling alleys
In the easy living
Something good got lost along the way

We could be high
We could be higher
We could be high
Yeah yeah
I want to make you understand
We could be high

Look at the morning people
Going to work and fading away
Look at the morning people
Going to work and fading away
Why don't we stop the traffic?
Why don't we stop the traffic?
Look at the morning people
Going to work each day

We could be high
We could be high
Yeah yeah yeah
We could be high
Yeah yeah
We could be high
Yeah yeah yeah

In the bowling alleys in the morning papers
Something good got lost along the way
We could be high
Yeah yeah yeah

High
Yeah yeah yeah
We could be high
Yeah yeah
We could be high
Yeah yeah yeah
I want to make you understand
We could be high
Yeah yeah
