Merry Christmas, Darling

Vanessa Williams

Greeting cards have all been sent
The Christmas rush is through
But I still have one wish to make
A special one for you
Merry Christmas, darling
We're apart, that's true
But I can dream and in my dreams
I'm Christmasing with you
Holidays are joyful
There's always something new
But every day's a holiday
When I'm near to you
All the lights on my tree
I wish you could see, I wish it every day
Logs on the fire fill me with desire
To see you and to say
That I wish you Merry Christmas
Happy New Year, too
I've just one wish
This Christmas Eve
I wish I were with you
All the lights on my tree
I wish you could see, I wish it every day
The logs on the fire fill me with desire
To see you and to say
That I wish you Merry Christmas
Happy New Year, too
I've just one wish
This Christmas Eve
I wish I were with you
I wish I were with you
I wish I were with you
Merry Christmas, darling
