

# Like a Rolling Stone

Bob Dylan

Once upon a time you dressed so fine  
Threw the bums a dime in your prime, didn't you?  
People call say 'beware doll, you're bound to fall'  
You thought they were all kidding you  
You used to laugh about  
Everybody that was hanging out  
Now you don't talk so loud  
Now you don't seem so proud  
About having to be scrounging your next meal  
How does it feel, how does it feel?  
To be without a home

Like a complete unknown, like a rolling stone  
Ahh you've gone to the finest schools, alright Miss Lonely  
But you know you only used to get juiced in it  
Nobody's ever taught you how to live out on the street  
And now you're gonna have to get used to it  
You say you never compromise  
With the mystery tramp, but now you realize  
He's not selling any alibis  
As you stare into the vacuum of his eyes  
And say do you want to make a deal?  
How does it feel, how does it feel?  
To be on your own, with no direction home

A complete unknown, like a rolling stone  
Ah you never turned around to see the frowns  
On the jugglers and the clowns when they all did tricks for you  
You never understood that it ain't no good  
You shouldn't let other people get your kicks for you  
You used to ride on a chrome horse with your diplomat  
Who carried on his shoulder a Siamese cat  
Ain't it hard when you discovered that  
He really wasn't where it's at

After he took from you everything he could steal  
How does it feel, how does it feel?  
To have on your own, with no direction home

Like a complete unknown, like a rolling stone  
Ahh princess on a steeple and all the pretty people  
They're all drinking, thinking that they've got it made  
Exchanging all precious gifts  
But you better take your diamond ring, you better pawn it babe  
You used to be so amused  
At Napoleon in rags and the language that he used  
Go to him he calls you, you can't refuse  
When you ain't got nothing, you got nothing to lose  
You're invisible now, you've got no secrets to conceal  
How does it feel, ah how does it feel?

To be on your own, with no direction home  
Like a complete unknown, like a rolling stone
