La Passion

Gigi D'Agostino

Baby I love you so
I never let you go
I'm looking for the place
Waiting for warm embrace
I'm living in the space
I'm following your trace
Tell me what's going on
Tell me what's going on
I'm gonna make you great
Girl are you air to see
Movin' it, come to meBaby just come to me
Don't break my heart tonight
Swinging my soul to side
Baby just come to me
Be what you want to be
Using your fantasy
I look your soul to see
Baby just come to me
Now we can do it right
Holding each other tight
Now I can make it right
I promise you the light
Waiting until daylight
I got to hand a key
Open your heart to me
Now I can set you free
Be what you want to be
Don't want to be alone
I got to be so strong
Don't want to be alone
Baby I love you so
I never let you go
I'm looking for your face
Waiting for warm embrace
I'm living in the space
I'm following your trace
Tell me what's going on
Tell me what's going on
I'm goin'to make it great

Girl are you air to see
Moving it, come to me
Baby just come to me
Don't break my heart tonight
Swinging my soul to side
Baby just come to me
Be what you want to be
Using your fantasy
I look your soul to see
Baby just come to me
Now we can do it right
Holding each other tight
Now I can make it right
I promise you the light
Waiting until daylight
I got to hand a key
Open your arm to me
Now I can set you free
Be what you want to be
Don't want to be alone
I'm gonna be so strong
Don't want to be alone
Baby I love you so
I never let you go
I'm looking for your face
Waiting for warm embrace
I'm living in the space
I'm following your trace
Tell me what's going on
Tell me what's going on
