

Now Or Never

New Kids On The Block

Light it up in my head like a Billboard tile!
I want it so bad, so I gotta move fast
In this dark in this house, spending too much time
Feeling sorry for myself, but I'm done with that! Hit the roaaaad!
There's nothing left here,
But a broken promise!
So let's go, oh, oh
Say goodbye to fear!
Are you ready to leave? Hey, are you coming with me,
You gotta let me know,
Is now or never!
Hey, I want you with me!
Don't make up your mind
You take forever!
You're a beautiful thing,
I need you right now
To say that you're near,
Cause baby I'm around
Hey, I want you with me!
You gotta let me know,
It's now or never!
Hey, yeah, yeah, yeah
It's alright, it's alright! I can see it in your eyes that you can't decide
This is all you know and you're scared to let go.
Been here all life, so it doesn't feel right
Just to give it all up for us! Hit the roaaaad!
There's nothing left here,
But a broken promise!
So let's go, oh, oh
Say goodbye to fear! Hey, are you coming with me,
You gotta let me know,
Is now or never!
Hey, I want you with me!
Don't make up your mind
You take forever!
You're a beautiful thing,
I need you right now
To say that you're near,
Cause baby I'm around

Hey, I want you with me!
You gotta let me know,
It's now or never!
Hey, yeah, yeah, yeah
It's now or never
Hey, yeah, yeah, yeah
It's alright, it's alright!
Hey, yeah, yeah, yeah
It's alright, it's alright!
I can see forever, you and me together
Nothing could be better, it's alright!
Now or never!
I can see forever, you and me together
Nothing could be better, it's alright!
Cause it's now or never! Hey, are you coming with me,
You gotta let me know,
Is now or never!
Hey, I want you with me!
Don't make up your mind
You take forever!
You're a beautiful thing,
I need you right now
To say that you're near,
Cause baby I'm around
Hey, I want you with me!
You gotta let me know,
It's now or never!
Hey, yeah, yeah, yeah
It's alright, it's alright!
