

The Promise

New Found Glory

I'm sorry but I'm just thinking of the right words to say
I know they don't sound the way I planned them to be
But if you'll wait around awhile, I'll make you fall for me
I promise, I promise you I will If you need a friend, don't look to a stranger
You know in the end, I'll always be there
And when you're in doubt and when you're in danger
Take a look all around and I'll be there I'm sorry but I'm just thinking of the right words to say
I know they don't sound the way I planned them to be
But if you'll wait around awhile, I'll make you fall for me
I promise, I promise you I will When your day is through and so is your temper
You know what to do, I'm gonna always be there
Sometimes if I shout, it's not what's intended
These words just come out with no gripe to bear I'm sorry but I'm just thinking of the right words to say
I know they don't sound the way I planned them to be
But if you'll wait around awhile, I'll make you fall for me
I promise, I promise you I'm sorry but I'm just thinking of the right words to say
I know they don't sound the way I planned them to be
And if I had to walk the world, I'd make you fall for me
I promise you, I promise you I will Gotta tell you, need to tell you
Gotta tell you, I gotta tell you I'm sorry but I'm just thinking of the right words to say
I know they don't sound the way I planned them to be
But if you'll wait around awhile, I'll make you fall for me
I promise, I promise you I'm sorry but I'm just thinking of the right words to say
I know they don't sound the way I planned them to be
And if I had to walk the world, I'd make you fall for me
I promise you, I promise you I will, I will, I will
