

Got Me Under Pressure

ZZ Top

She likes wearin' lipstick, she likes French cuisine
But she won't let me use my passion unless it's in a limousine
She got me under pressure
She likes the art museum, she don't like Pavlov's dog
She fun at the mind museum, she likes it in a London fog
She don't like other women, she likes whips and chains
She likes cocaine and flippin' out with great danes
She's about all I can handle, it's too much for my brain
It's got me under pressure
I'm gonna give her a message
Here's what I'm gonna say "It's all over"
She might get out a nightstick
And hurt me real real bad
By the roadside in a ditch
It's got me under pressure
It's got me under pressure
It's got me under pressure
