

How You Do

Frankee

Hey, this is Frankee, what's up?
I had a good time the other day
So call me
You know the number
I don't need to be, the one that walks around
Without a smile on my face, don't need a frown on my face
I don't care 'bout yesterday, I threw all my numbers away
Ever since you came to me, showed me the things I could not see
Baby, now you're the one who understands, out of all the guys I met
Baby, you make me smile every time
You get close, my emotions run away, how ya make me feel this way?
I don't know but boy, I think you've got me
I'm not beefin', I'm not fussin', I'm not stressin' you
I'm just sayin' is I'm open off of how you do
I'm not buggin', it feels so good when I'm touching you
All I'm sayin' is I'm open off of loving you
Well, I never have to wait, wait for you to call
'Cause all of the silly chicks you're used to can't come close to me at all
And there ain't never been a time when you would not ride for me
Oh, I'll be the one to wash your hair, be everything you need

Baby, now you're the one who understands, out of all the guys I met
Baby, you make me smile every time
You get close, my emotions run away, how ya make me feel this way?
I don't know but boy, I think you've got me
I'm not beefin', I'm not fussin', I'm not stressin' you
I'm just sayin' that I'm open off of how you do
I'm not buggin', it feels so good when I'm touching you
All I'm sayin' is I'm open off of loving you
I never thought that everyday could be a sunny day
But since you came into my world
I've got something I can celebrate, oh baby, I do
I'm not beefin', I'm not fussin', I'm not stressin' you
I'm just sayin' that I'm open off of how you do
I'm not buggin', it feels so good when I'm touching you
All I'm sayin' is I'm open off of loving you
I'm not beefin', I'm not fussin', I'm not stressin' you
I'm just sayin' that I'm open off of how you do
I'm not buggin', it feels so good when I'm touching you

All I'm sayin' is I'm open off of loving you
