

I'll Be Around

[Charlie Sztyk](#)

You came home this weekend darling
You had your plans
Fear of going crazy has settled in
Maybe you just want to be happier this time
Or maybe you just want the company
I'll be around
I'll be around
Wish you got so drunk that you'd call me
It be nice to hear your voice although it's killing me
Yeah wait till this is over, I'll be around
Yeah wait till hell freezes over, I'll be around
I'll be around
I'll be around
I'll be around
I'll be around
I'll be around
