

Great Things

Elevation Worship

Verse:

Give thanks to the Lord for he is good

Come and see what he has done

Can you feel this move of God

Breaking on our shores

Who is like our God

Whose kindness never ends

Who is like our King

Whose fame and glory reign

Chorus 1:
There is victory in our hearts today

Everyone has seen the Lord has done great things

God is on the move, kingdom come to earth

Everyone has seen the Lord has done great things

Verse:
Our hearts rejoice for we have won

Nothing can withstand

The mighty power of the cross

The One who conquered death

Who is like our God

Whose kindness never ends

Who is like our King

Whose fame and glory reign

Chorus
Bridge:
Come and see what he has done

Chorus 2x
