

The Great Divide

Neil Young

In the canyons of the great divide
Familiar places that we can run and hide
Are filled with strangers
Walking in our houses alone
In the great divide
Nothing to decide
No one else to care for or love
In the great divide
You won't fit in too well
On the horses of the carousel
She rides alone with you and me
She rides like she knows
Wherever she goes, we'll be there
On the carousel
Life is going well
Anyone can tell we're in love
On the carousel
You're gonna like the way you feel
You and i, we got caught down there
In the twisted canyons of the great divide
We walked the floor
Now we don't go there anymore
In the great divide
Nothin' to decide
No one else to care for or love
In the great divide
I don't fit in too well
In the great divide
Nothin' to decide
No one else to care for or love
In the great divide
You won't fit in too well
