Brooklyn Bridge

Candy Hearts

Sometimes I wonder if I gave too much away
If you could live without a heart I can live without a brain
enough to know I'm not thinking
enough to know you're not feelingAnything like I feel
you'll never feel the way that I feelI fall in love with everything
the way the summer makes me think
of riding into the start of this
the back of that cab over the Brooklyn Bridge
My friends told me to run as fast as I could
but your sheets made it feel like it was high school
and I didn't know what I was doing
you were so beautiful and charmingbut I know you'll never feel
anything like I feelI fall in love with everything
the way the summer makes me think
of riding into the start of this
the back of that cab over the Brooklyn Bridge
And I still pass the stop to your house
where I'd fix my hair on the way down
I'd pretend you care and you'd pretend I don't
but I don't know
