

Not So Tough Found Out

Copeland

Not so tough, found out, found out
Feel so warm, sun fire, sun fire
Not so strong, lost out, lost out
Twice as sweet, come 'round, come 'round
And not so fast, come back, come back
Steal away a smile, a smile
Not right now, lay down, lay down
Not so tough, found out, found out
Not so tough, found out, found out
Feel so warm, sun fire, sun fire
Not so strong, lost out, lost out
Twice as sweet, come 'round, come 'round
Not so fast, come back, come back
Steal away a smile, a smile
Not right now, lay down, lay down
Not so tough, found out, found out
Hold me, you're here and then you're gone, love
Like a dream, like a sigh
Tell me you're hearing every word now
Like a song love, like a song
Not so tough, found out, found out
Feel so warm, sun fire, sun fire
Not so strong, lost out, lost out
Twice as sweet, come 'round, come 'round
Not so fast, come back, come back
Steal away a smile, a smile
Not right now, lay down, lay down
Not so tough, found out, found out
Feels so warm, sun fire, sun fire
