Heaven Knows

Robert Plant

A brand new human being razor sharp all firm and tan All clean, all pure with a thirty second attention span As the clock strikes twelve and we're ready for party games

You play blind man's bluff and I'll play out charadesHeaven knows what kind of fool am I

Heaven knows why you take an eye for an eye

Heaven knows what comes over me

You were pumping iron where as I was pumping ironyNow I find myself fully occupied and half alive And with your head, heart

Arms and legs wrapped around my family pride

Oh see the whites of their eyes, then shoot

With all the romance of the ton-ton macouteHeaven knows what kind of fool am I

Heaven knows why you take an eye for an eye

Heaven knows what comes over me

You were pumping iron where as I was pumping ironyNothing will show as we're shedding our clothes But then I suppose, anything goes, anything goes

But then I suppose that anything, anthing goesHeaven knows, heaven knows, heaven knows Ooh yeah, oh yeah

Heaven knows, heaven knows

Heaven knows, ooh yeah, heaven knowsHeaven knows what kind of fool am I

Heaven knows what comes over me

Heaven knows what kind of fool am I

Now tell me please, please, pleaseHeaven knows what kind of fool am I

Heaven knows what kind of fool am I

Heaven knows what kind of fool, fool, fool, fool, fool, fool

Tell me, tell me, tell me, tell meHeaven knows what kind of fool am I

Heaven knows what comes over me

Heaven knows what kind of fool am I

Tell me, ooh
