

End of All Hope

Nightwish

It is the end of all hope
To lose the child, the faith
To end all the innocence
To be someone like me
This is the birth of all hope
To have what I once had
This life unforgiven
It will end with a birth No will to wake for this morn
To see another black rose born
Deathbed is slowly covered with snow Angels, they fell first but I'm still here
Alone as they are drawing near
In heaven my masterpiece will finally be sung Wounded is the deer that leaps highest
And my wound it cuts so deep
Turn off the light and let me pull the plug
