Below Me

Trouble

I donÂ¦t believe in your opinions
After all youÂ¦re the one who's wrong
Hey man I know what you're sayin
I donÂ¦t care anymoreSo how does it feel
Below meI donÂ¦t believe in your decisions
Another stupid politician
Hey man I know what you're playin
Couldn't take it anymoreSo how does it feel
Below meI don't believe in your religion
After all what makes you so right
Hey man I hear what you are sayin
I don't care anymoreSo how does it feel
Below me
