Tryna Win

Mozzy

im a drug dealer bitch i deal drugs my niggas aint rappers, they the real thugs maximum capacity is filled up kill switch on a stick im tryna kill some how you fuckin with them suckas but its still love you dont really love me that aint real love if the brick's sealed up, tell em line it in ima pay what niggas charging on my mama kids sacrifise it all when im tryna win shit dont go as planned we gon try again run on top op cuz im tryna live and only hell in the shots ima fire ten head first in the funk, i be diving in so when we finally bump heads know what time it is my name ring bells through the city streets, any friend of mine gon share the same enemy sacrifise it all when im tryna win if the shit dont go as planned we gon try again its run on top op cuz im tryna live and the only hell in shots ima fire ten head first in the funk i be diving in so when we finally bump heads, know what time it is my name ring bells through the city streets, any friend of mine share the same enemy they find the hammer in the car ima take the charge say that thang mine before i say its ours told youngin stay in school he tried to say its hard street shit aint what it seem never make it far prison bars make a man out you little niggas run on top down a op, kill a nigga right hand to the sky on the fallen shooters niggas throw they life away like they aint gotta future they find a hammer in the car ima take the charge ima say that thang mines fore i say its ours told youngin stay in school he tried to say its hard street shit aint what it seem, you never make it far prison bars make a man out you little niggas run on top down a op, tryna kill a nigga right hand to the sky on the fallen shooters niggas throw they life away like they aint gotta future it is what it is im gucci though they say the homies woofin on me, niggas goofy though little iphone 6 is full of nookie hoes rockin the gucci slippers with my trueies on hip bone with the tooly on, stewy wit it attach a bag to his stomach, let him dookie in it but the hood would never be the same without the goonies in it takin pictures with the suckas you look bootsie in it sacrifise it all when im tryna win
