

# The Answer

## Ashes of Ares

Time can be a friend  
But her grains of sand are slipping through your hands  
Every time I can see it in your face  
You're holding on for the ones your heart embraced  
Fly away  
Fly away  
And find the answer Life will never be the same  
What you've given us forever will remain  
In your heart a many splendored thing  
Just ask the question... you'll hear it answering  
Fly away  
Fly away  
And find the answer Life begins again  
Though your time with us is coming to an end  
Journey on, I will see you soon my friend  
Beyond this plane your spirit shall ascend  
Fly away  
(Oh fly away)  
Fly away  
(And find the answer)  
Fly away  
(Fly away yeah yeah)  
Fly away  
And find the answer
