Insatiable

Trash Palace

Can't check myself at all
Break my fist on the fucking wall
Because raw instinct is all I know
And it suits me just fine
Convince myself that my
Actions aren't received as spite
Then passionately is how I'll go
And it suits me just fine
When I have everything I want
Will I be good enough?
But I can't have everything
'Cause nothing's good enough
I'm insatiable
And I hunt down my dreams
It's the only thing I know
Suddenly anger cripples
Colors red everything around me
Sometimes we hurt the ones that we love
And it kills me inside
Then I will pay a price, you see
The cost is overbearing
The price I pay could be undreamed of
And it kills me inside
When I have everything I want
Will I be good enough?
But I can't have everything
'Cause nothing's good enough
I'm insatiable
And I hunt down my dreams
It's the only thing I know
I'm insatiable
Don't look down on me
I can bear this burden alone
This constant dark craving
Ripping apart my soul
'Cause nothing's good enough
I'm insatiable
And I hunt down my dreams
It's the only thing I know

I'm insatiable
Don't look down on me
I can bear this burden alone
This constant dark craving
Ripping apart my soul
I'm insatiable
