Shattered Dreams

[Johnny Hates Jazz](#)

So much for your promises
They died the day you let me go
Caught up in a web of lies
But it was just too late to knowI thought it was you
Who would stand by my sideAnd now you've given me, given me
Nothing but shattered dreams, shattered dreams
Feel like I could run away, run away
From this empty heartYou said, you'd die for meWoke up to reality
And found the future not so bright
I dreamt the impossible
But maybe things could work out rightI thought it was you
Who would do me no wrongAnd now you've given me, given me
Nothing but shattered dreams, shattered dreams
Feel like I could run away, run away
From this empty heartYou've given me, given me
Nothing but shattered dreams, shattered dreams
Feel like I could run away, run away
From this empty heart
From this empty heartI thought it was you
Then you said, you'd die for loveAnd now you've given me, given me
Nothing but shattered dreams, shattered dreams
Feel like I could run away, run away
From this empty heartYou've given me, given me
Nothing but shattered dreams, shattered dreams
Feel like I could run away, run away
From this empty heartOh no no no, you said you'd die for me
Oh, oh, die for me
So much for your promises
