Battle Symphony

LINKIN PARK

I got a long way to go
And a long memory
I've been searching for an answer
Always just out of reachBlood on the floor
Sirens repeat
I've been searching for the courage
To face my enemiesWhen they turn down the lights
I hear my battle symphony
All the world in front of me
If my armor breaks
I'll fuse it back togetherBattle symphony
Please just don't give up on me
And my eyes are wide awakeFor my battle symphony
For my battle symphonyYou say that I don't belong
You say that I should retreat
That I'm marching to the rhythm
Of a lonesome defeat
But the sound of your voice
Is the pain in reverse
No surrender, no illusions
And for better or worseWhen they turn down the lights
I hear my battle symphony
All the world in front of me
If my armor breaks
I'll fuse it back togetherBattle symphony
Please just don't give up on me
And my eyes are wide awakeIf I fall
Get knocked down
Pick myself up off the groundIf I fall
Get knocked down
Pick myself up off the groundWhen they turn down the lights
I hear my battle symphony
All the world in front of me
If my armor breaks
I'll fuse it back togetherBattle symphony
Please just don't give up on me
And my eyes are wide awakeFor my battle symphony
For my battle symphony
