

# Something to Dance For

[Zendaya](#)

A dream like this,Â not something you wish for  
A dream like thisÂ not something you ask for  
When it's a gift worth taking a chance for  
Then this is something you dance forHey yeah, yeah,  
Oh, this is something you dance forThere's a moment when you look to the side  
Who will fall, who will survive  
That's the moment when you find it inside  
On the line, this is your timeAnd it's all I want  
And it's all I doA dream like this, not something you wish for  
A dream like this not something you ask for  
When it's a gift worth taking a chance for  
Then this is something you dance for  
Can you believe it are you feeling alive?  
Hit your mark, ready to rise  
Your body's aching but your heart doesn't mind  
Feet on the ground, eyes on the prizeAnd it's all I want  
And it's all I doA dream like thisÂ not something you wish for  
A dream like thisÂ not something you ask for  
When it's a gift worth taking a chance for  
Then this is something you dance forA dream like this not something you wish for  
A dream like this not something you ask for  
When it's a gift worth taking a chance for  
Then this is something you dance forFor the love,Â for the fame  
To bring down the rain  
By the way that you feel,Â when they're calling your name  
For the daysÂ nothing more,Â it's just you on the floorOh this is something you dance forA dream like this not  
something you wish for  
A dream like this not something you ask for  
When it's a gift worth taking a chance for  
Then this is something you dance forA dream like this not something you wish for  
A dream like this not something you ask for  
When it's a gift worth taking a chance for  
Then this is something you dance for
