Lord, You're Holy

Helen Baylor

(chorus)
lord, you're holy
lord, you're holy
and we lift you up and magnify your name
lord, you're holy
lord, you're holy
and we lift you up and magnify your name

as i look around and i see

all the works that your hands have made

the awesomeness of you

and how you're love will never fail

no words can unexpress how i feel inside

i can't describe you're glory divine

but as a token of my love

this is what I'll do

I'll lift my hands and cry

(chorus)

there's not enough words that i can say

to tell you how much i appreciate

all the wonderful thing you've given me

you're love and kindness your true demercies

i'll do everything just to praise you

and to tell you how much i love you

you're worthy of all of the honored

lord you're worthy of all of the plagues

i don't know how you could love

how you could give me so much mercy

you didn't have to suffer and die for me way back on Calvary

but i just want to thank you i gotta thank you yes i do i just want to thank you lord thank you thank you thank you

wonderful glorious holy and righteous

victorious conqueror triumphant and mighty

healer deliverer shield and defense

strong tower and my best friend

omnipotent omnipresent soon coming king alpha omega

lord of everything

you're holy holy holy is you're name

wonderful glorious holy and righteous

victorious conqueror triumphant and mighty

healer deliverer shield and defense

strong tower and my best friend

omnipotent omnipresent soon coming king alpha omega

lord of everything

you're holy holy holy is you're name

holy....holy....holy is you're name

holy....holy....holy is you're name
