Bringing Me Down

Drowning Pool

Everyday, always the same
I hear your name and it cuts through me like a chainsaw
And I fall back into that simple fool that you once knewAnd just as soon as I let you back in
Seems I'm reminded of all of this againI can't believe that I let you walk all over me
And I can't believe that you had such a hold on me
Bringing me down you're bringing me down
You're bringing meHow much more will it take until I break and I drive that stake
Right into that thing that you call your heart
Hell it's fallen apart and I don't think it worked right from the startJust as soon as I let you back in
Seems I'm reminded of all of this againI can't believe that I let you walk all over me
And I can't believe that you had such a hold on me
Bringing me down, you're bringing me downYou're bringing me down, down, down
Bringing me down you're bringing me down
You're bringing me down, down, downBringin' me down, bringin' me down
Bringin' me down, bringin' me downI can't believe that I let you walk all over me
And I can't believe that you had such a hold on meAnd I can't believe that I let you walk all over me
And I can't believe that you're still bringing me, bringing me downYou're brining me, bringin' me down
Bringin' me down, bringin' me down
