## Dana Winner

Mama Mia

I've been cheated by you since I don't know when  
So I've made up my mind it must come to an end  
Look at me now, will I ever learn

I don't know how, but I suddenly lose control  
There's a fire within my soul  
Just one look and I can hear a bell ring  
One more look and I forget everything, Oh

Mama mia, here I go again  
My my, how can I resist ya  
Mama mia, does it show again  
My my, just how much I missed ya

There's something broken-hearted  
New since the day we parted  
Why why, did I ever let you go  
Why why, did I ever let you go

S.O.S.  
So when you're near me  
Darling can't you hear me  
S.O.S.

The love you gave me  
Nothing else can save me  
S.O.S.  
When you're gone

How can I even try to go on  
When you're gone  
Though I try, how can I, carry on  
Knowing me Knowing you

Knowing me, knowing you  
There is nothing we can do  
Knowing me, knowing you  
We just had to face it this time,

We're through  
Breaking up is never easy, I know  
But I had to go  
Knowing me, knowing you

It's the best I can do  
Take A Chance  
If you change your mind  
I'm the first in line

Honey I'm still free  
Take a chance on me  
If you need me, let me know  
Gonna be around

If you've got no place to go  
When you're feelin' down  
Take a chance on me  
Take a chance on me

Fernando  
There was something in the air that night  
The stars were bright, Fernando  
They were shining there for you and me

For liberty, Fernando  
Though we never thought that we would lose  
There's no regret  
If I had to do the same again

I would, my friend, Fernando  
Chiquitita  
Chiquitita tell me what's wrong  
You're enchain'd by your own sorrow

In your eyes, there is no hope  
For tomorrow  
Chiquitita you and I cry  
For the sun is filling the sky

And shining above you  
Let me hear you sing once more  
Like you did before  
Sing a new song, Chiquitita

I Have A Dream

I have a dream  
A song to sing  
To help me cope

With everything  
If you see the wonder  
Of a fairy tale  
You can take the future

Even if you fail  
I believe in angels  
Something good in everything I see  
I believe in angels

When I know the time is right for me  
I'll cross the stream  
I have a dream
