

# lorraine's song (my heart was a lonely hunter)

Grayson Capps

She came in lookin' good and lookin' around  
She's checkin' out every man in the room right now  
Don't go tellin' her about right or wrong  
She's been alone way to longThe heart is a lonely hunter  
With only one desire  
To find some lastin' comfort  
In the arms of a lover's fire  
Driven by a desperate hunger  
To the dark of the neon light  
Oh the heart is a lonely hunter  
When there's no sign of a love in sight  
She hears him say "Hey, can I buy you a drink?"  
And sees the pale white circle where he wears his ring  
She knows he's dealin' her a dangerous hand  
The consequences of a one night standThe heart is a lonely hunter  
With only one desire  
To find some lastin' comfort  
In the arms of a lover's fire  
Driven by a desperate hunger  
To the dark of the neon light  
Oh the heart is a lonely hunter  
When there's no sign of a love in sightFrom somewhere deep inside she tells him no  
Before she starts to cry she turns to go  
The heart is a lonely hunter  
With only one desire  
To find some lastin' comfort  
In the arms of a lover's fire  
Driven by a desperate hunger  
To the dark of the neon light  
Oh the heart is a lonely hunter  
When there's no sign of a love in sight
