Do What I Tell Ya!

Infectious Grooves

-Muir-Siegel-
You'll do what I tell ya!
And I watch you sweat. Then I'll watch you shake
And then you beg. And then you scream "I'll do what you tell me!"
You'll do what I tell ya! That is right, Punk!
See, I think you're gonna have to find out the hard way!
You'll do what I tell you! I'm gonna fuck you up!
And let me tell you just why
On the mic, you talk about gettin' violent
But to the man with the badge you're nothin' but silent
So now it's the government you want to overthrow?
But first it's off to the next oversized show!
Now you're making you're political statement
Or are you trying to add to your finacial statement
And let's not forget the evil corporations
Then why is SONY the sponsor of your presentation?
Bitch!
You'll do what I tell ya! Oh yea! You'll do what I tell ya!
I'm gonna fuck you up!
You'll do what I tell ya - you're nothin' but a punk!
You'll do what I tell ya. We're gonna go head up!
First you sweat! And then you shake! And then you beg.
And then you plead. And then you shake. And then you sweat.
And then you scream "I'll do what you tell me"
You'll do what I tell you. Oh yea. I'm gonna fuck you up!
You'll do what I tell you. I'm gonna show you what is up.
I'm gonna fuck you up!
'Cause you're a pussy. 'Cause you're a bitch. And 'cause you fucking deserve it!
You'll do what I tell ya -
Nothin' but shit
You're full of shit
And I don't like shit
I'll fuck up your shit
You ain't shit!
And I don't like shit!
You're full of shit!
And I'll fuck up your shit!
Pussy!
