

These Are Days

10,000 Maniacs

These are the days, ohhThese are days, you'll remember

Never before and never since, I promise

Will the whole world be warm as this and as you feel itYou'll know it's true that you are blessed and lucky

It's true that you are touched by something

That will grow and bloom in youThese are days, you'll remember

When May is rushing over you with desire

To be part of the miracles you see in every hourYou'll know it's true that you are blessed and lucky

It's true that you are touched by something

That will grow and bloom in youThese are daysThese are the days you might fill with laughter until' you break

These days you might feel a shaft of light make it's way across your face

When you do you'll know how it was meant to beSee the signs and know their meaning

It's true, you'll know how it was meant to be

Hear the signs and know they're speaking to you, to you
