

# Disco Nights (Rock Freak)

GQ

Let the spirit flow all through your body  
Just lend us an ear  
Involve yourself  
You're free to follow  
And we'll take you there  
You said you want to reach the sky  
So get up  
The feeling's right  
And the music's tight  
On the disco nights  
Just say you will  
Just do what you feel  
I'm for real  
The music's full of joy and laughter  
And it's such a thrill  
To free your mind from all the pressure  
Head on up the hill

[repeat chorus]
