Somebody's Out There

Triumph

Advisory - the following lyrics contain explicit language:

Is it fate or random chance? How can I decide?
Are we victims of circumstance when destinies collide?
All the odds are against you but somehow you make it through
You can rationalize it away but it all comes down to youHalf our lives we spend waiting
For the knock upon the door
When it comes, will it be the one
That I've been waiting for?Somebody's out there, somewhere
Waiting for someone to come their way
Somebody's out there, somewhere
I will somehow be somebody's someone, someday, yeahStanding in the shadows, hiding from the light
Reach out in the darkness and hold on for your life
All the fear of the future, all the loneliness inside
When the moment of truth arrives, hey you can run but you can't hideSomebody's out there, somewhere
Waiting for someone to come their way
Somebody's out there, somewhere
I will somehow be somebody's someone, someday, yeahI can feel it inside me
I've been holding on so long
Something's tellin' me something's got to give
'Cause the feeling's way too strong, too strongSomebody's out there, somewhere
Waiting for someone to come their way
Somebody's out there, somewhere
I will make them mineSomebody's out there, somewhere
Waiting for someone to come their way
Somebody's out there, somewhere
I will somehow be somebody's someone, somedaySomebody's out there, somewhere
Somebody's out there, somewhere
Somebody's out there, somewhere
Somebody's out there, somewhere
