Worthy (feat. Matt Redman)

Passion

You alone at the center of it all
You alone angels cry
Worthy is the Lamb of God
The angels cryWorthy, worthy
Day and night we'll never stop singing
You're worthy
Forever, Your name is holy
Day and night we'll never stop singing
You're worthyWe could see
Truly see how great You are
We could see Your majesty
All of heaven bows before
Your majestyWorthy, worthy
Day and night we'll never stop singing
You're worthy
Forever, Your name is holy
Day and night we'll never stop singing
You're worthy
