If Only

KT Tunstall

Walking around in a daze after days now its been
Talking it up is amazing and amazed that I'm in
Looking at the stars for the answers but all that you found
Was silence and dirty groundIf only you could see me now
If only you could hear me out
If only it was only me nowListen just a little bit harder for I always tell the truth
It isn't just a piston in an engine that keeps you moving
Looking like you're looking for answers and now you're surrounded by silenceIf only you could see me now
If only you could hear me out
If only it was only me nowYou're surrounded by silence
SilenceSilence
You're surrounded by silence
Silence
Silence
You're surrounded by silence
Silence
Silence
Oh you're surrounded by silence
Silence
SilenceIf only you could see me now
If only you could hear me out
If only it was only me now
Yeah if only you could see me now
If only you could hear me out
If only it was only me now
If only it was only me now
