

Better Days

Goo Goo Dolls

And you asked me what I want this year
And I try to make this kind and clear
Just a chance that maybe we'll find better days
'Cause I don't need boxes wrapped in strings
And designer love and empty things
Just a chance that maybe we'll find better days So take these words and sing out loud
'Cause everyone is forgiven now
'Cause tonight's the night the world begins again I need some place simple where we could live
And something only you can give
And that's faith and trust and peace while we're alive
And the one poor child who saved this world
And there's ten million more who probably could
If we all just stopped and said a prayer for them So take these words and sing out loud
'Cause everyone is forgiven now
'Cause tonight's the night the world begins again I wish everyone was loved tonight
And somehow stop this endless fight
Just a chance that maybe we'll find better days So take these words and sing out loud
'Cause everyone is forgiven now
'Cause tonight's the night the world begins again 'Cause tonight's the night the world begins again
