

40 Watt (Daytrip Remix)

ELEL

Chorus: All]
That 40 watt light bulb
If we turn it on and off
And on and off and on
And off and onIt'll make it like we're dancing in
A big city club that's flashing
I jump and you spin
Again and again
And again[Verse 1]
[Male]
It may not be much, beh
But it's the place we're gonna call our own, kay?
You decorate it up as you see fit, hear?[Female]
And you can help a bit, dear
It may not be much, beh
But it is you and me, kay?[Both]
Alone[Male]
And whenever we play
Just take imagination
Shun the speakers and lighting array[Chorus][Verse 2]
[Male]
Take a time out as time flies on by
Dancing with my sugar pie
That's how we started, baby
Way, way back when[Female]
You saw me dancing
In the crowd
I was dancing in[Male]
I thought you were the only there...[Female]
I know
I saw how you stared[Both]
Ohhh[Male]
Sparks were flying and all the rest
Couldn't keep heart in chest[Both]
Now here
Who would have guessed?[Chorus][Outro]
That 40 watt light bulb
If we turn it on and off
And on and off and on

And off and on It'll make it like we're dancing in
A big city club that's flashing
I jump and you spin
Again and again
And again
