Power Of Love

Deee-Lite

I believe in the power of love (I believe)
I believe in the power of love (I believe)
I believe in the power of love
I believe in the power of loveFeel the power
Let the people call me naive
I believe I believe I believe I believeWhat is it that can make a lost soul found?
Love
And what is it that can make the coldest day seem warm?
Love
And what is it that can bring a smile through to strangers?
Love love love loveI believe in the power of love (I believe)
I believe in the power of love (I believe)
I believe in the power of love
Let them call me nave
But I still believeWhat is it that can make a lost soul found?
Love
And what is it that can make the coldest day seem warm?
Love
And what is it that can bring a smile through to strangers?Give it everything
Cause what you give you get so give it everything
Open your heartI believe I believe
Power of power of power of love
