

# Power Of Love

## Deee-Lite

I believe in the power of love (I believe)  
I believe in the power of love (I believe)  
I believe in the power of love  
I believe in the power of loveFeel the power  
Let the people call me naive  
I believe I believe I believe I believeWhat is it that can make a lost soul found?  
Love  
And what is it that can make the coldest day seem warm?  
Love  
And what is it that can bring a smile through to strangers?  
Love love love loveI believe in the power of love (I believe)  
I believe in the power of love (I believe)  
I believe in the power of love  
Let them call me nave  
But I still believeWhat is it that can make a lost soul found?  
Love  
And what is it that can make the coldest day seem warm?  
Love  
And what is it that can bring a smile through to strangers?Give it everything  
Cause what you give you get so give it everything  
Open your heartI believe I believe
