

9 (feat. Kevin Gates & Young Scooter)

Jacquees

Intro

ohh, yeah, ohhh ohh, yeahHook:2x Jacquees

Girl ima put you on the side of me (on the side)

you're something special, you should ride with me you

(come and ride), I got your back cause that's how riders be

(ima ride) my gun, ima keep you on the side of me

you could be my 9.Verse 1 :Kevin Gates

When we sexing it's extra x rated deeply compelled by the scent of your fragrance

we wrapped in the bottle, we stopping in Vegas we shopping for lingerie, we lovin your laces

pussy no odor I cant even taste it or better yet safe to label it tasteless

claim its no motion my phone in the matrix

bae claim to be an occasional drinker but I know what you turn into without thinkin' bend it back open let me

spank it head-headboard

we out to eat after went out to eat bae just come around with me just shot the shower scene twistin; up collard

greens

music loud vibe with me stick to this broccoli, live from the driver's seat lickin my fingertip thumbing through

lots of cheeks ima rider by any means.Hook:2x Jacquees

Girl ima put you on the side of me (on the side)

you're something special, you should ride with me you

(come and ride), I got your back cause that's how riders be

(ima ride) my gun, ima keep you on the side of me

you could be my 9.Verse 2: Young Scooter

Let the top down , let your hair blow girl (girl)

Million dollar trips around the world (take a trip)

I bought your bitch so you can't find yo girl

Look at my wrist yeah all my diamonds real

uhh na , bitch yo baby daddy broke? I can change your life

Yeah I gotta trap queen, me and hubby shooting dice

I need you on the side of me baby like every night

Pu-pussy my medicine , you know I gotta get right

When I move she move, I gotta keep her on my side

Shawty so real, she can never blow by vibe

Whole pound of the gas ,I tell her to roll up while we ride.Bridge:JacqueesRideeee, whyyy don't you ride with

me

Why don't you ride with me

you can be my 9 ,right on the side of me (of me)

why don't you (ride with me)

Why don't you (ride with me)

why don't you (ride with me)

why don't you (ride with me)
why don't you (ride with me)
why don't you (ride with me) Hook: 2x Jacques
Girl ima put you on the side of me (on the side)
you're something special, you should ride with me you
(come and ride), I got your back cause that's how riders be
