Out the Blue

John Lennon

Out the blue you came to me
And blew away life's misery
Out the blue life's energy
Out the blue you came to meEveryday I thank the Lord and Lady
For the way that you came to me
Anyway it had to be
Two minds, one destinyOut the blue you came to me
And blew away life's misery
Out the blue life's energy
Out the blue you came to meAll my life is been a long slow knife
I was born just to get to you
Anyway I survived, long enough
To make you my wifeOut the blue you came to me
And blew away life's misery
Out the blue life's energy
Out the blue you came to meLike a U.F.O. you came to me
And blew away life's misery
Out the blue life's energy
Out the blue you came to me
