

Out the Blue

John Lennon

Out the blue you came to me
And blew away life's misery
Out the blue life's energy
Out the blue you came to me
Everyday I thank the Lord and Lady
For the way that you came to me
Anyway it had to be
Two minds, one destiny
Out the blue you came to me
And blew away life's misery
Out the blue life's energy
Out the blue you came to me
All my life is been a long slow knife
I was born just to get to you
Anyway I survived, long enough
To make you my wife
Out the blue you came to me
And blew away life's misery
Out the blue life's energy
Out the blue you came to me
Like a U.F.O. you came to me
And blew away life's misery
Out the blue life's energy
Out the blue you came to me
