Hush Hush

Katie Stevens

I never needed you to be strong
I never needed you for pointing out my wrongs
I never needed pain, I never needed strain
My love for you was strong enough, you should have known

I never needed you for judgments
I never needed you to question what I spent
I never asked for help, I take care of myself
I don't know why you think you gotta hold on me

Conversations
There isn't anything for you to say
And my eyes
So look at me and listen to me
Because

I don't want to stay another minute
I don't want you to say a single word
Hush hush, hush hush
There is no other way, I get the final say because
I don't want to do this any longer
I don't want you, there's nothing left to say
Hush hush, hush hush
I've already spoken, our love is broken
Baby hush hush

I never needed your corrections
On everything from how I act to what I say
I never needed words, I never needed hurt
I never needed you to be there every day

I'm sorry for the way I let go
On everything I wanted when you came along
But I ain't never beatin', broken not defeated
I know next to you is not where I belong
