

Tell Me What I Want to Hear

[Jean Shepard](#)

Darling please don't make me wonder give my heart no cause to fear
Say you know our love's eternal tell me what I want to hear
Say you feel the same old magic that I feel when you are near
Whisper love words and sing me love songs tell me what I want to hear
[fiddle - piano - guitar]
Others lips and arms may hold me but no other could make me care
Let me always feel your love dear tell me what I want to hear
Say you feel the same...
