# Hiya

## Kokayi

Hiya, hiya, hiya, hiDon't be so jaded
I'm quite sincere
Though we may differYou'll be right here
Top of the heap
Kings of all we surveyThe last thing's a clinker
Who says it's not?
Just try your bestIt's all that we've got
It's all that we've got
It's all that we've gotHiya
Hiya, hi
Hiya
Hiya, hi
Hiya
Hiya, hi
Hiya
Hiya, hi
