A buh-buh buh buh-buh
A buh-buh buh buh-buh

You went to school to learn, girl
Things you never, never knew before
I got I before E except after C
And why two plus two makes four
Now, now, now I'm gonna teach you (Teach you, teach you)
All about love, dear, (All about love)

Sit yourself down, take a seat
All you gotta do is repeat after me

A B C, easy as one, two, three
Or simple as do re mi
A B C, one, two, three, baby, you and me girl
A B C, easy as one, two, three (Oh)
Or simple as do re mi
A B C, one, two, three, baby, you and me girl (come on just a little bit)
Come on, let me love you just a little bit
(Teach, teach, sing it out)
Come on, come one, come on let me show you what it's all about

Reading and writing arithmetic
Are the branches of the learning tree
But listen without the roots of love let me tell you, girl
Your education ain't complete
T-t-t-teacher's gonna show you, (show you, show you)
How to get an A (Nah nah nah nah nah)
Spell me, you, add the two
Listen to me baby, that's all you gotta do

A B C is easy as one, two, three
Or simple as do re mi
A B C, one, two, three, baby you and me girl
A B C is easy it's like counting up to three (Oh)
Sing a simple melody
That's how easy love can be
That's how easy love can be
Sing a simple melody (That's how easy love can be)

One, two, three, you and me

Sit down girl I think I love you
No, get up girl show me what you can do!

Shake it, shake it, baby, (come on now)
Shake it, shake it, baby, (ooh-ooh)
Shake it, shake it, baby (huh)
One, two, three baby (oh oh)

A B C it's easy it's like counting up to three
