

# Sittin' On Top Of The World

## The Radiators

One summer day, she went away  
She's gone and left me, she's gone to stay  
Lord she's gone, but I don't worry  
'Cause I'm sitting on top of the world.  
Well my lover took with my best friend  
Some joker got lucky, stoled her back again  
Lord she's gone, but I don't worry  
'Cause I'm sitting on top of the world.  
Well in the summer I have he fall  
I spent my Christmas in my overalls  
She's gone, but I don't worry

'Cause I'm sitting on top of the world.  
Going down to the railway to catch a freight train  
I'm gonna leavw this town, for her I'm bound  
She's gone, but I don't worry  
'Cause I'm sitting on top of the world.  
One summer day, she went away  
She's gone and left me, she's gone to stay  
She's gone, gone, gone but I don't worry  
'Cause I'm sitting on top of the world.
